## **Benidorm completes the health and safety device for Saturday's Beret concert**

Benidorm completes the health and safety device for Saturday's Beret concert. The event is celebrated in Julio Iglesias auditorium from 19.30

The City Council of Benidorm has hosted today the coordination meeting in which the sanitary and safety device for the Beret concert was finalized, which will take place this Saturday, June 8, in the Julio Iglesias auditorium of the Parque de l'Aigüera . The councilor for Citizen Security in office, Lorenzo Martínez, participated in the meeting; technicians of this area and of Events; responsible for Local Police, National Police, Red Cross and Civil Protection; as well as representatives of the concert promoter company.

The health system consists of a Red Cross staff consisting of an advanced life support ambulance, a basic life support ambulance, an assistance post, a doctor and a nurse; while the security is composed of a security chief, six guards, 12 assistants and SEA personnel-access control. In addition, there will be presence of Local Police, National Police and Civil Protection.

The opening of doors will be at 7:00 pm, and half an hour later the event will begin, which will end at 01:00. Six emergency exits have been arranged in the enclosure.
